

Searching for and enrolling in your Waikato DHB Courses in Ko Awatea Learn

You now have an account on Ko Awatea Learn.

To login to your new account and display your “**My Learning**” page, do the following.

URL: <https://koawatealearn.co.nz> and click on , top right of the screen.

You will then enter in your **username** which is your “**Email address**” i.e. **joe.bloggs@waikatodhb.health.nz** and a “**Password**” and click “**Log in**”

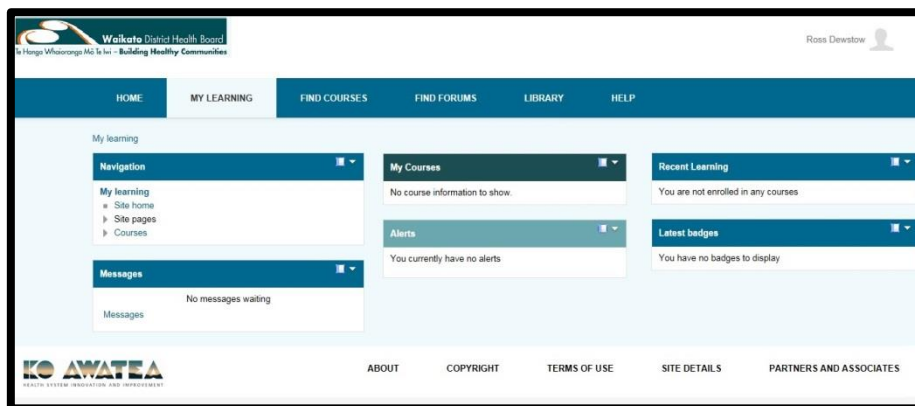

Email address

Password

Remember username

You will now see your “**My Learning**” page.

Note: This is the page you will see each time you login to Ko Awatea Learn.

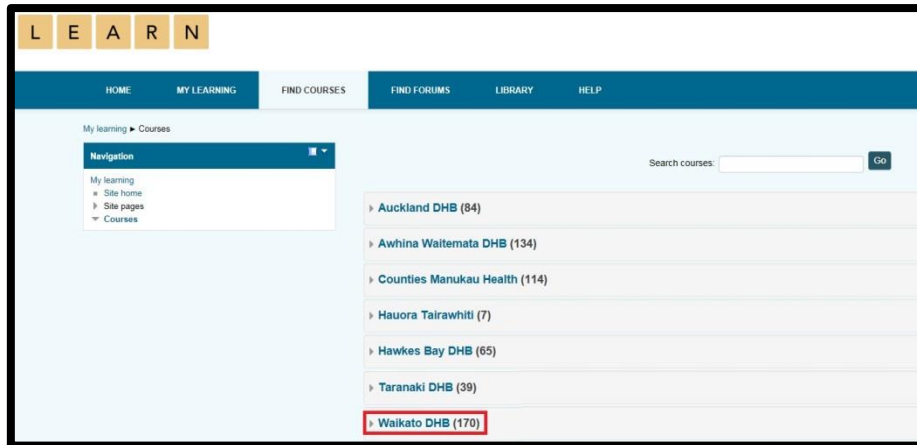

On fist login you will not have any courses listed in the “**MY LEARNING**” tab in the middle of the screen, so you need to enrol in the courses you need to do.

How to find my courses:

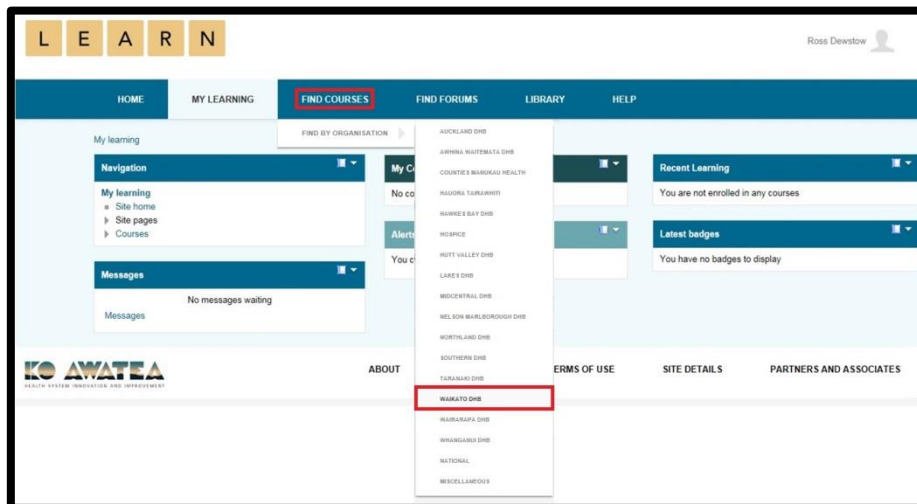

Click on  to see the list of all the DHBs

Note: If you search for courses here, you will be searching for the course in all the DHBs in Ko Awatea Learn. More on this later.

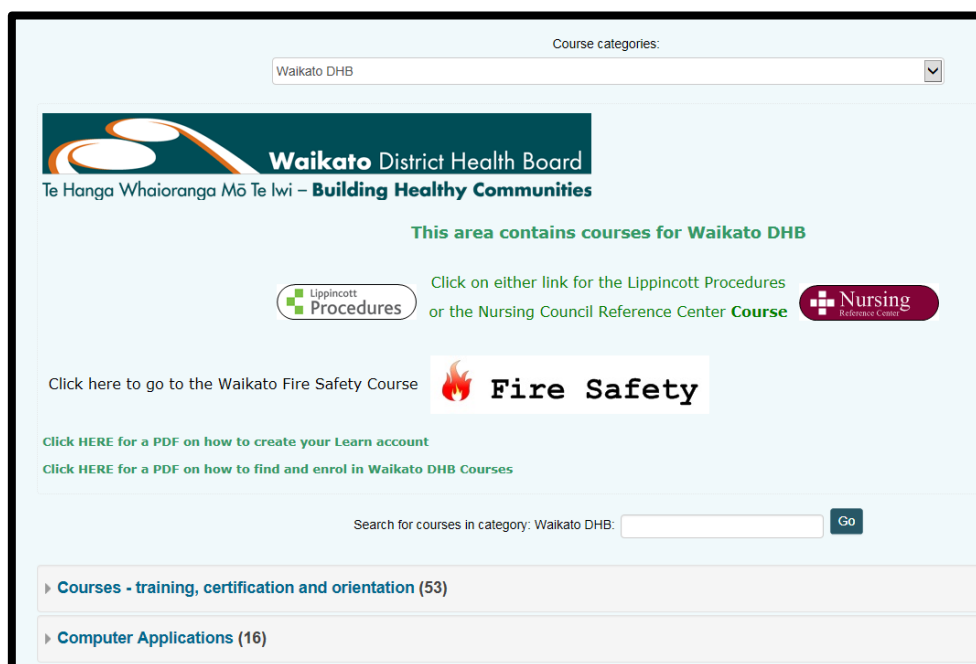

To search just for **Waikato DHB Courses**, scroll down and click on “**Waikato DHB**” – see below.

The other way is to: click on **"FIND COURSES"**, and from **"FIND BY ORGANISATION"**, choose **"WAIKATO DHB"** from the drop down list.

You will see something like:

To find a course, you can click on “**Courses - training, certification and orientation**” and look for your course, or enter part of the course name in the Search field. Learn will search for the exact word or words you enter.

Search for courses in category: Waikato DHB:

i.e. to search for the “Restraint” Course, enter in “Restraint” and click on

Search for courses in category: Waikato DHB:

You will then see:

Search results: 1
